LETTER OF RECOMMENDATION

Greetings!

When I first met Luis, his love and passion for design was apparent immediately. He brings such an unique perspective to his work.

Luis's creativity is only matched by his professionalism, organization and dedication to providing the best design possible. He is a team player, takes direction well, and is always eager to learn and share his talents.

It is for all of these reasons that I do not hesitate to recommend Luis for any job opportunity. I know he will bring this same passion, dedication and transformative quality to every project he undertakes.

If you wish for me to elaborate further, do not hesitate to contact me.

Thank you,

Justin Kuder
